Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: discussed general nature of claims 1 and 3-5 of what was agreed to if an agreement was reached, or any other comments of the claims. More specifically, discussed the language of claim 1 in view of 112 2 nd paragraph since the language in claim 1 is still inconsistent between the preamble and the body of the claim (inconsistency between subcombination/combination); and discussed general nature of claims 1 and 3-5 in view of prior art rejection. Applicant sent in a proposed supplemental amendment but was not reached. Told Attorney Fetterly that an action will be mailed shortly..
